## **About *The Bundle***

Removed from her Russian homeland by her Chechen father, forced into marriage and then subjected to a life of servitude, Adilah takes the ultimate risk in plotting her escape to the UK. Here she finds a home but also meets the Home Office's 'hostile environment' toward asylum seekers and refugees.

Based closely on the story of a real woman and her three young children, *The Bundle* moves from the tradition of the folk story to biting satire as it charts Adilah's bid for freedom, safety and hope.

Age range: 16+. Duration: Approximately 65 minutes

*There is no charge for the performance, but we welcome donations for organisations working closely with asylum seekers and refugees in the UK.*

Commissioned by QARN Quaker Asylum Seeker and Refugee Network
